**RE: MGM Energy Application for a New Water Licence for K-30, E-07 and I-25 Well Abandonment Program**

MGM Energy (“MGM”) is applying for a new Water Licence to facilitate potential abandonment activities that could occur between 2023-2028. MGM requires the licence to use water, the overwhelming majority of which will be used for ice road and ice pad construction and dispose of waste created from the abandonment program at appropriate facilities.

To support the application MGM has enclosed a hard and electronic copy of the following:

- Project Description that was submitted to the Environmental Impact Screening Committee;
- Environmental Impact Screening Committee Decision dated March 15, 2019, and associated Decision Letter dated March 21, 2019;
- Government of Northwest Territories Land Use Permit N2019A0001 which covers the proposed program;
- Completed Inuvialuit Water Board Application Form;
- MGM Energy Cheque #009172 to cover first year water use and application fee;
- Project Maps.

If you have any questions regarding the above or enclosed please contact the undersigned via email at [terence\\_hughes@paramountres.com](mailto:terence_hughes@paramountres.com) or phone at 403-206-3859.

Respectfully,  
MGM Energy
