Subject: N7L3-0714 Hamlet of Tuk Munipal Water Licence

Good Afternoon Terry

This email is a reminder to the Hamlet of Tuktoyaktuk that they are utilizing water and disposing of waste without a valid water licence. The Hamlet of Tuktoyaktuk's water licence expired on June 30, 2014. This is a violation of the *Waters Act* and *Waters Regulations*. To bring the Hamlet of Tuktoyaktuk into compliance with the Act and Regulations, the Inuvialuit Water Board request that a complete application be submitted to the Inuvik office as soon as possible. The Inuvialuit Water Board has provided correspondence and information to the Hamlet of Tuktoyaktuk with regard to the licence renewal process dating back to November 2012.

If you have any questions, please contact me at 867-678-8609.
