Inuvik, N.T. X0E 0T0

Dear Mr. Davies:

RE: REQUEST FOR EMERGENCY DECANT FOR TUKTOYAKTUK SOLID WASTE SITE

The Hamlet of Tuktoyaktuk is requesting an emergency decant for our Solid Waste Site. I did an inspection this afternoon and detected a breach in our berm, I was monitoring since June 3, 2013 when it was 12 inches below the berm. The Hamlet did send out samples to Tiaga Environmental Laboratory which was forwarded to you, and I will send you a copy attached with the letter.

If you need any more information let me know.

Regards,

Davie Krengnektak
Public Works Foreman
