Re N7LW-1531 Water Licence Renewal

The Hamlet of Sachs Harbour is please to submit a water licence renewal package to the Inuvialuit Water board for a water licence N7LW-1531 renewal.

This application contains the following:

1. Water Licence Application Questionnaire for Municipal Undertakings;
2. Supplementary Information for Project Questionnaire;
3. Solid Waste Facilities Operations & Maintenance Manual; and,
4. Surveillance Network Program Manual.

We understand that the recently approved (March 31, 2021) operation and maintenance plans do not need to be resubmitted. These include the:

1. Hazardous Waste Management Plan
2. Sewage Waste Disposal Facilities O&M Plan; and,
3. Spill Contingency Plan

The Hamlet of Sachs Harbour has also submitted a questionnaire according to the mandate of the Environmental Impact Screening Committee.

Please contact me (hamletsao@sachsharbour.ca) if you have further questions regarding this application.

Regards,

Betty Haogak
