Dear Mr. Behrens:

**Project Title: Water License Renew Dec. 1, 2019**

**Proponent: Hamlet of Aklavik**

Thank you for submitting to the Environmental Impact Screening Committee (EISC) your completed Project Summary Questionnaire (PSQ) for the above-named project. The EISC mandate is derived from the Inuvialuit Final Agreement (IFA), section 11(36), which states that “no license or approval shall be issued that would have the effect of permitting any proposed development to proceed unless the provisions of IFA section 11(36) have been complied with”. This compliance has the effect of requiring competent authorities to give notice of applications for licenses, permits, or other authorizations, to the EISC. All applications for proposed development / research purposes must therefore be reviewed by the EISC to determine if they are to be subject to an environmental impact screening.

The EISC has reviewed your PSQ and has determined that your project does not meet the definition of development as defined under the Inuvialuit Final Agreement, and therefore will not be subject to an Environmental Impact Screening (EIS).

If you have any questions regarding this decision, please don't hesitate to contact me directly at 1(867)777-2828, Extension 1014.

Sincerely,

Michel Lindsay  
EIS Coordinator, Environmental Impact Screening Committee
