**Subject:** RE DFO Comments: N7L1-1836 - Imperial Oil Resources - Bar C Remediation Project - Amendment Request and Dock Removal PDR

Mark: on behalf of Imperial, please be advised the dock at BAR-C was not removed during the 2015 field season. Dock removal is intended to occur during 2016 with the same mitigations planned for this year. Please advise Tobiah Newton at Imperial if there is anything else you need in the interim.

Thank you for your review earlier this year.

Sincerely,

**Masten Brolsma, P.Eng.**

**Subject:** RE DFO Comments: N7L1-1836 - Imperial Oil Resources - Bar C Remediation Project - Amendment Request and Dock Removal PDR

Dear Mardy Semmler,

Fisheries and Ocean's Canada (DFO) Fisheries Protection Program (FPP) has reviewed the N7L1-1836 Imperial Oil Resources - Bar C Remediation Project - Amendment Request and Dock Removal PDR , as it relates to DFO's mandate.

Please find in the attached letter, DFO's comments and recommendations.

If you have any questions or concerns regarding the attached letter, please do not hesitate to contact me.

Sincerely,

**Mark D'Aguiar**
