Hi Fred,

I am forwarding you the spill report for the January 09th sewage release. On January 18th I took it upon myself to report this incident as The Hamlet has failed to report the sewage incident. The water license number N3L3-0570 is listed on the report.

While reviewing The Hamlet of Aklavik's water license online I noticed that the spill incident has already been uploaded to the IWB public registry. I just wanted to let you know.

Have a good week.
