**Re: N3L8-1838 – Northwest Territories Power Corporation – Remediation and Reclamation of the former Aklavik Power Plant Site - Receipt of Application**

This is to acknowledge receipt of your water licence application submitted to the Inuvialuit Water Board (IWB) for the remediation and reclamation of the former Aklavik power plant site. The IWB is returning the Matric Solutions Inc. cheque number 047720 in the amount of \$30.00 which represents the application fee. As per Section 3 of the *Waters Act* the Government of the Northwest Territories is exempt from fees.

The application and supporting documents are in the process of being reviewed and you may be contacted should additional information be required.

Sincerely,
