Re: Questions on Report for 2022
License No. N7L3-1531

Dear Mardy,

Thanks for your support on updating the 2022 Water Report.

We did not do the water samples during break up last year. As well there was no Solid waste disposal samples and sewage.

We will be doing the water sample in September and as well the Solid and Sewage/Waste samples.

Thanks for your help with the reports. Call me if you have any comments or questions at 867-690-4351.

Regards,

Betty Haogak,
Senior Administrative Officer
