Dear Mr. Thompson:

Re: N5L8-1848 – Shell Canada Limited, Former Unipkat I-22 Wellsite Remediation Project – Notice of Modification and Remedial Action Plan Addendum

The Inuvialuit Water Board (IWB) acknowledges receipt of the Notice of Modification for alternative remediation equipment, the updated schedule as well as the Remedial Action Plan Addendum.

Upon review, it was determined that the Remedial Action Plan Addendum and Notice of Modification meet the requirements of Water Licence N5L8-1848, Part B: General Conditions, Item 12 and Part F: Conditions Applying to Modifications, Item 1. The Remedial Action Plan Addendum and Notice of Modification have been accepted as submitted.

The submitted documents, including all related IWB correspondence, will be placed on the IWB Public Register. Should you have any questions or concerns please contact Mardy Semmler, Executive Director, at 867-678-8609 or semmlerm@inuvwb.ca.

Sincerely,

Gerald Inglangasuk
Chairperson
